

Blue and Gold

Fall Blow Out 2010

The Blue and Gold Truck & Tractor pull of May 2010 was once again a huge success. A BIG thank you to all of you who helped by sponsoring classes this spring. We plan to continue to improve and grow our event by having a spring and fall pull in 2010.

In this economy, you are probably reluctant to consider sponsoring an event such as ours. But, we feel that there is no better way to invest in our community and future than by supporting an event for our youth. Scott County FFA students gain leadership skills, public speaking skills, participate in public service activities, and state and national contests. Our FFA Alumni group is a non-profit organization whose sole purpose is to assist the students through scholarships and financial assistance in traveling to contests, educational opportunities, and events.

This is an excellent chance for your business to reach the community through advertising and at the same time help the FFA students. Your sponsorship will be announced numerous times during the event and your business name will be prominently displayed along the pulling track and included in a list of sponsors on our internet website, www.ffapull.com. The site attracts lots of truck & tractor pull fans and displays the sponsors from last year's as well as this year's pull.

Please thoughtfully consider contributing to the Blue & Gold Truck & Tractor Pull scheduled for September 17th - 18th, 2010 in Georgetown, Ky. All proceeds go to the Scott County FFA Scholarship fund.

If you have any questions about this event, please call Dale Glass at 502-863-2778, Scott Weakley at 859-533-7900 or Nathan Sewell at nathan.sewell@scott.kyschools.us.

Thank you for your consideration and support!
